

# FINANCIAL AID

# To-Do List

Now that you're registering for classes, your first bill for tuition and fees will be arriving soon. Is your financial aid information in order? Use this checklist to make sure it is.

## ☐ Have you applied for aid and completed your application?

It's not too late. Just go to [studentaid.gov/h/apply-for-aid/fafsa](https://studentaid.gov/h/apply-for-aid/fafsa) to fill out the Free Application for Federal Student Aid (FAFSA) and [hesc.ny.gov](https://hesc.ny.gov) for the Tuition Assistance Program (TAP) application from New York State. You'll need Adelphi's school code, which is 002666 for FAFSA and 0010 for TAP. And make sure you've responded to any requests you've received from us for more information.

## ☐ Have you changed your housing and/or enrollment plans?

Let the Office of Student Financial Services know if you have. Changes may affect your financial aid award(s).

## ☐ Check your Adelphi email for your e-bill.

As long as you've registered, you'll receive a message later this month letting you know that your online e-bill is ready. You'll be able to view it in the CLASS section of eCampus.

## ☐ Understand your e-bill.

It will list all your anticipated financial aid awards. You can find information about those awards in the Award Letter (also called the Financial Assistance Plan) that was mailed to your permanent address. You can also find your Award Letter online at CLASS on eCampus.

## ☐ Activate your federal loans.

This is very important! If you're awarded Federal Direct Subsidized Loans and/or Federal Direct Unsubsidized Loans, you'll need to activate them to receive your money. You'll find instructions on how to do that in your Award Letter, along with information on what to do if you wish to decline or reduce the amount you borrow.

## ☐ Learn about ways to pay.

There are many different ways to help cover some or all of your bill. You can enroll in a monthly payment plan if you wish, and there are other borrowing options, like the Federal Direct Parent PLUS Loan. Learn about them on our website. We can help you make the choices that are best for you.

## ☐ Mark these dates.

Tuition and fees are due in full for new first-year students by August 15 for the fall semester and January 6 for the spring semester, unless you choose one of our payment plans.

## ☐ Have you submitted your final high school transcript and immunization forms?

It's important! You must do this before any federal assistance can be applied to your account. And tie up other loose ends, like finding out if you can waive the University's health insurance plan if you are a residential or international student.

## Any questions? Need more help?

We can answer them and guide you through the financial aid process, helping you find scholarships, grants and loans that are right for you. Call us at **516.877.3080** or email [FinancialServices@adelphi.edu](mailto:FinancialServices@adelphi.edu). And find lots of valuable information on our website at [financial-aid.adelphi.edu](https://financial-aid.adelphi.edu).
